

Dear reader and valued client

I don't know about you but for me the last couple of Christmas song and decoration free months were bliss. Now it's back to the reality of stressing over gifts and which family gatherings to attend, overcrowded malls and, and, and. But I have just the thing to make you feel a bit better. Our latest newsletter! You can take a few minutes to yourself, distraction free, stress free, just you and a little bit of light reading. Enjoy!

Our Doctor Jenni says Thank You!

Dr Jenni would just like to thank everyone for their patience and understanding during her down time. She caught the horrible flu that has been circulating, where even after you got rid of the worst, some of the symptoms still linger within you for months. This flu knocked our Jenni out for 2 weeks and we all felt lost without her. The good news is, she is well again and happy to be back in the swing of things. We had to move a lot of appointments and we know it was not convenient for everyone.

Jenni and the entire Aesthetics Centre team appreciates your patience, understanding, prayers and support.

Cuppa For CANSA Success!

Simone Schroeter (Mrs SA Top 25 Finalist for this year) hosted a Cuppa For CANSA on the 3rd of September where she raised R77 000. We were glad we could share in this special event with our R3000 Dermapen Treatment Donation to help raise funds for those fighting Cancer.

SPRING POP UP SHOP!

We had such a lovely SPRING POP Up Sale on the 2nd of September. We teamed up with Dermaquest and offered our clients two amazing specials for the day. The first one they could get up to 15% off of their DermaQuest purchase and the second one spoiled our clients with a FREE DermaQuest C Infusion Mask when they purchased a C Infusion Serum and C Infusion Eye Cream combination. Here are some pictures of our lovely day spent with our DermaQuest Family:~
