

Dear reader and valued client

The first month of Spring has passed and boy was it a chilly one, but hey, the sun is shining and friendliness is making its return so we can't complain. Please enjoy our latest news and remember, if you have any questions, we are just a phone call away.

DR JENNI, FLYING HIGH

At The Aesthetics Centre, we believe that Knowledge is Power. We are always looking for ways to grow our knowledge base, refine existing skills and perfect new ones. In this vein, Dr Jenni recently travelled to Cardiff to further her dermatological qualifications. This is what she had to say about the trip:

"I had an excellent trip to Cardiff in September. I have registered to do the Diploma in Dermatology at Cardiff University which is a 2 year distant learning course.

There were 70 GPs from around the world on the weekend. Unfortunately I was the only doctor from South Africa. It appears there is a shortage of Dermatologists throughout the world and GPs are needed to increase their knowledge of skin diseases.

Interestingly, Canada was the most represented country on the course."

note that results may vary and that you do need to see one of our consultants for a prescription of this product.

Obagi – Clinically proven to clear acne fast!

PROACTIVE COLLAGEN LIQUID – Now available at The Aesthetics Centre

Collagen is the main protein of the connective tissue as it represents about 30% of the total body protein and 70% of the protein that makes up the skin. Collagen is a key protein for the body. It is responsible for the consistency, flexibility and reproduction of skin, cartilages, joints and bones. From the age of 25 years, collagen levels begin to decline and women lose collagen at a faster rate than males during the maturation process and later during the aging period.

Collagen Pro-Active is a highly bio-available liquid supplement, which has been identified as the most innovative product in the science of Collagen. It contains a patented Formulation of: Maximum strength Hydrolysed Collagen, Silicon, Magnesium and B1, B2, B5 and B6 vitamins.

PLEASE NOTE

We are moving into our busiest time of the year and appointment times will be subject to availability. To avoid disappointment, please make sure that you book your appointment(s) ahead of time to ensure that you are helped before your festivities start.

SITES AND SOCIAL MEDIA

Remember to follow us on our social media. We post lots of exciting tips, news snippets and motivational quotes to brighten up your day. We also post a number of interesting blog posts which (we publish around the fifteenth of the month) on our website to help you with more specific Aesthetic concerns.

Our website link is: <http://theaestheticscentre.co.za/index.php> . You can also follow us on:

“A rose can never be a sunflower, and a sunflower can never be a rose. All flowers are beautiful in their own way, and that’s like women too.” – Miranda Kerr
