

Dear reader and valued client

Time has flown and none of us at the Centre can believe that we are 3 months into 2016. With this news update we bring to you a good news bad news segment. But like true South Africans we conquered the bad and embraced the good.

First The Bad News

Our practice was broken into at the end of February over a weekend. Luckily none of us were here so we are all unharmed. They did not steal much, but what they did take was our computers, servers and TV... our entire operating system! This left us frustrated and without direction. So what did we do? Well, you know what they say about a 'boer'! We made adjustment for the offline period and also learned that the good old paper system is ALIVE. Thank you to all of our customer for being supportive and understanding while we were offline.

Needless to say, we are back up and running and can help you with your appointments and bookings as usual. We would like to let you know that we might not have received your email and website enquiries during the system restorations. If you do have any outstanding enquiries you are more than welcome to contact us again on 011 425 0508/0019 or info@theaestheticscentre.co.za

Now For The Good News

We have a new BABY! It is called BTL Exilis Elite™. It's been a long time since we all got so excited about a new piece of equipment. This is something we all need in our lives including YOU. The Exilis is a state of the art, non-invasive machine that:

- reduces fat volume by destroying the fat cells
- tightens the skin for a more youthful appearance
- treats ageing concerns like fine lines and wrinkle
- contours the body for a smoother and improved shape

This machine will do all of the above for you from Head to Toe... yes you read right... Head to Toe. For more information on this treatment, you can visit our web page

You can also contact us for YOUR booking on 011 425 0508/0019.

PLEASE NOTE: We will be closed for Maintenance

We will be closed from the 27th of April 2016 - 2nd of May 2016. During this time our practice will be undergoing some renovations and maintenance. We ask that you book your appointment before or after this period and to note that we will not be available to do any business during that time. Should you have any enquiries, please feel free to contact us on info@theaestheticscentre.co.za or 011 425 0508/0019
