

Dear reader and valued client

This winter has been a temperature roller coaster. On the bright side, we all got to spend loads of quality time slogged up with the family. Now, however, it is time for you to:

1. Sit back
2. Grab a blanket and cuppa
3. Enjoy our winter edition of our newsletter.

Huge hooray for a successful Ladies Day

Great weather, hot drinks, delicious soups, amazing prize giveaways... all of the items on our checklist were ticked and once our guests started arriving the fun began.

The morning started with Jenni talking about the hydration and anti-ageing benefits of [Restylane SkinBoosters™](#) (see more in a review below). With the assistance of **Jacqui** from Galderma they did a live demonstration of the treatment and our guests were able to observe, first hand, and ask their questions.

Nicolette then took over and chatted about the remarkable results you can get from our [BTL Exilis Elite](#) for sculpting, skin tightening, fat reduction and labia rejuvenation.

Lastly, **Megan** from [Obagi](#) chatted about the importance of using quality home care for hydration and the protection against environmental damage.

Once the formalities were over and done with, we enjoyed many a heart to heart conversation together. Thank you to all of our providers and guests for making it an amazing day. We are so grateful that we can call each of you a friend and look forward to sharing many more memories with you.

SkinBooster™

Restylane SkinBooster™ is a phenomenal treatment to restore hydration in the deeper layers of your skin. As you get older the substance Hyaluronic Acid (HA) depletes and is no longer produced by the body. This is one of the main contributing factors that leaves YOU with dry, lax and aged skin. SkinBooster™ treatments thus replaces this much needed HA to boost hydration levels and stimulate collagen and elastin to help fight the signs of ageing and tighten your skin.

We hire the machine once a month and then we spend a day just doing SkinBooster™ treatments for our clients. To book your appointment or find out more, contact us on 011 425 0508 or info@theaestheticscentre.co.za
