

Dear reader and valued client

It seems this year has caught up with all of us and we stand facing the end of it. But before we say goodbye we have some helpful tips:

1. Don't leave your Christmas shopping for the last minute
2. Be safe whether you travel locally or on holiday
3. Most importantly, enjoy December. It is after all the most fun month

PROTECT yourself before you WRECK yourself

We live in one of the best countries when it comes to climate. We have so much fun in the sun soaking up that much needed Vitamin D, but and this is a BIG BUT, these days overexposure to the sun can do more damage than good. So, before you go on your holiday make sure you pop in to The Aesthetics Centre to buy your Emthunzini Sun Hat UPF50+ and your Sunblock (we stock Heliocare, Skin Ceuticals and Bioderma) to protect you from all of those HARMFUL rays while you enjoy your holiday.

LPG Express Slimming Concentrate

Is that extra kilo or two getting you down? Are you finding that gym isn't helping you to shape up quite as fast as you had hoped? This is where the LPG Express Slimming Concentrate comes in.

This concentrate will help you to:

- Burn fat quickly
- Reduce body fat content
- Improve lean body mass
- Effectively fight against cellulite and
- Refine your body by transforming fat into energy

It is indicated for men and women and consists of 14 individual doses which are taken daily. Each vial contains a highly concentrated complex of caffeine and L-Carnitine for quick fat burning. It also combines 5 plant extracts that stimulate water, toxin and metabolic waste elimination. This concentrate should be used in conjunction with the vela treatment as well as a healthy eating plan and a healthy lifestyle. Please note that results vary per individual.

Doctors available in December 2015
